		1080+270	1071+274									

- Faculty required and Faculty actually available are shown for First year and second year inclusive.
- Intake capacity: UG: 1080+ PG: 270= 1350; For two years = 2700

- Faculty Required for a student faculty ratio of 1:15 = 180: Faculty available: 182, hence SFR=14.83
