In pursuit of **excellence** for
a **better tomorrow...**”

Introducing KLE Tech BCA BBA B.COM

Ranked #1 for Outstanding Institutional Transformation in **Engineering Education**

Awarded as **University of the year** - South Under Science & Technology Category

Identifies BVB (KLE Tech) as one of the Five Places to watch globally for **future leadership** in Engineering Education

Ranked University

Selected by **AICTE-New Delhi** at the National Level to set up **IDEA LAB**

Introducing KLE Tech **BCA | BBA | B.COM**

Dr. Prabhakar Kore
Chancellor,
Chairman, KLE Society, Belagavi

THE VISIONARY

KLE Society - 107 Years of Yeomen Service

KLE Society is the personification of education, research and health care with a sole vision to enrich and empower individuals to become successful and responsible citizens. KLE is a buzz word in India's Educational spectrum. Its success story of ten decades portrays the dedication with which millions of people work selflessly in making of 'KLE'. Its 300 institutions spread across Karnataka, Maharashtra, Goa, Delhi and Overseas narrate amazing stories. With the Visionary Leadership of Chairman Dr. Prabhakar Kore and members of the Board of Management, the KLE Society cater to the educational needs of more than 1,38,000+ students with the care of over 18,000+ faculty.

Prof. Ashok S Shetter
Vice Chancellor

KLE Technological University, Hubballi

KLE Technological University, spread across 64 acres has a legacy, as a premier engineering institution of Karnataka. The University has grown with a student population of over 10000 and an Alumni network of more than 30000 students spread over in more than 50 countries. KLE Tech is geared to producing potential engineers. We also work closely with professional bodies as well as industry experts in the development of our curriculum. Infact, KLE Technological University is ranked as being among the top universities by various ranking agencies. The inputs delivered by us is up-to-date as our faculty members have both industry and academic experience. I am confident that your journey through this university will be a life filled with productivity and social usefulness. Welcoming you to make use of this state-of-the-art infrastructure filled with technology and make your career.

Prof. S. F. Patil
Principal

KLE Technological University, Dr. M.S. Sheshgiri College of Engineering & Technology, Belagavi Campus

KLE Technological University, Dr. M.S. Sheshgiri College of Engineering & Technology Belagavi Campus was established in 1979 and has earned many laurels with its legacy of 4 decades of excellence in the field of Engineering & Management studies. It has reached International Placements, Idea Lab by AICTE and VGST grants. The Institute has exclusive academic initiatives enabling students to experiment with innovative ideas and bring in the best talent required for engineering applications. We believe that for learning to be effective, it needs to be delivered in a congenial environment that not only nurtures but stimulates the interest of the best minds that receive it. The college offers a world-class infrastructure that supports the pursuit of knowledge and the exercise of individual interests. Our disciplines mold the students to be leaders & game changers.

To be an organization of excellence,
leveraging human
potential in engineering management for
a better tomorrow

- To nurture scientific temperament through
the process of intellectual stimulation.
- To inculcate a sense of lifelong learning
 - To excel in academic and research endeavours
 - To collaborate with institutions and industries for excellence
 - To facilitate employability and entrepreneurial ability along
with social responsibility.

ABOUT COLLEGE

KLE Technological University's, Dr. M.S.Sheshgiri College of Engineering and Technology, Belagavi is a premier institute with a legacy of 44 years in the field of engineering education. It is an ISO 9001:2015 certified Institution approved by AICTE, New Delhi and affiliated to KLE Technological University (KLE TECH), Hubballi. The institute is recognized under section 2(f) of UGC act of 1956.

The institution offers **8 Under Graduate, 2 Post Graduate (M.Tech)** programmes, Master Programs in Computer Applications (M.C.A) and Business Administration (M.B.A). It has also introduced **BBA, BCA, & B.Com** programmes from 2023-2024. Eleven Departments of the institute are recognized as research centers. The Institute has **Digital learning space, K-tech Innovation hub, LEAD, Wipro Ltp- lab, Skill development center, Learning Factory, CEER [Centre for Engineering Education Research], Social Innovation projects, IEEE, PBL, KSCST, Mission 10x Wipro, NPTEL, HRTC and organised Prayog Shishir 2023 an exhibition of engineering exploration, Mini project exhibition** and much more.

The institution is selected by AICTE New Delhi at the National level to set-up Idea lab with Rs. 110 lakh funding. A Proposal for the Establishment of IoT and AI lab for Problem Based Learning is selected by VGST with a grant of Rs.15 lakhs. It has an expert's team of 160 faculties with 45+ doctorates.

College is setup in 17 acres of lush green campus that supports the pursuit of knowledge accomplishing the objectives of the institute to deliver excellence in engineering. It has a hostel facility to accommodate 400 boys and 600 girls with uninterrupted power supply, Wi-Fi facility, separate gymnasium and hygienic food facilities. Free medical service facility is provided through Vaidyashree health insurance scheme at KLE Society's Dr. Prabhakar Kore Hospital and Research Center. **A Wellness Center (Medical) working round the clock is available in the campus for any medical assistance & Emergency.** The banking facility with ATM, cafeteria with fast food center, transportation through buses, round the clock security makes the college ambience a perfect destination for gaining excellent education.

There are **Student clubs** which help in promoting the hidden talents of students. With meticulously designed **placement policy** that has been improving year after year, it has reached for international placement with highest Package of 34 LPA. The **Placement cell** highly values the partnership with recruiters & alumni to make the entire hiring process rewarding. Many have reached the positions of eminence in their chosen field of profession. Internship is one of the most encouraged curriculums to enhance student's practical knowledge in engineering.

With an intention of Collaborative growth KLE Dr. M.S.Sheshgiri College of Engineering and Technology, Belagavi has signed a Memorandum of Understanding (MoU) with Infosys for the campus connect program and KPIT Pune to initiate Program for Academic Connect and Engagement (PACE). In addition, each Department has MoUs with the respective industries and organizations. Also, MoUs with **University of Illinois, Springfield, USA and University Technology PETRONAS, Malaysia** to provide an opportunity for students to grow and leverage their knowledge on international platforms.

PROGRAMMES OFFERED

UNDER GRADUATE COURSES

Biomedical Engineering

Chemical Engineering

Civil Engineering

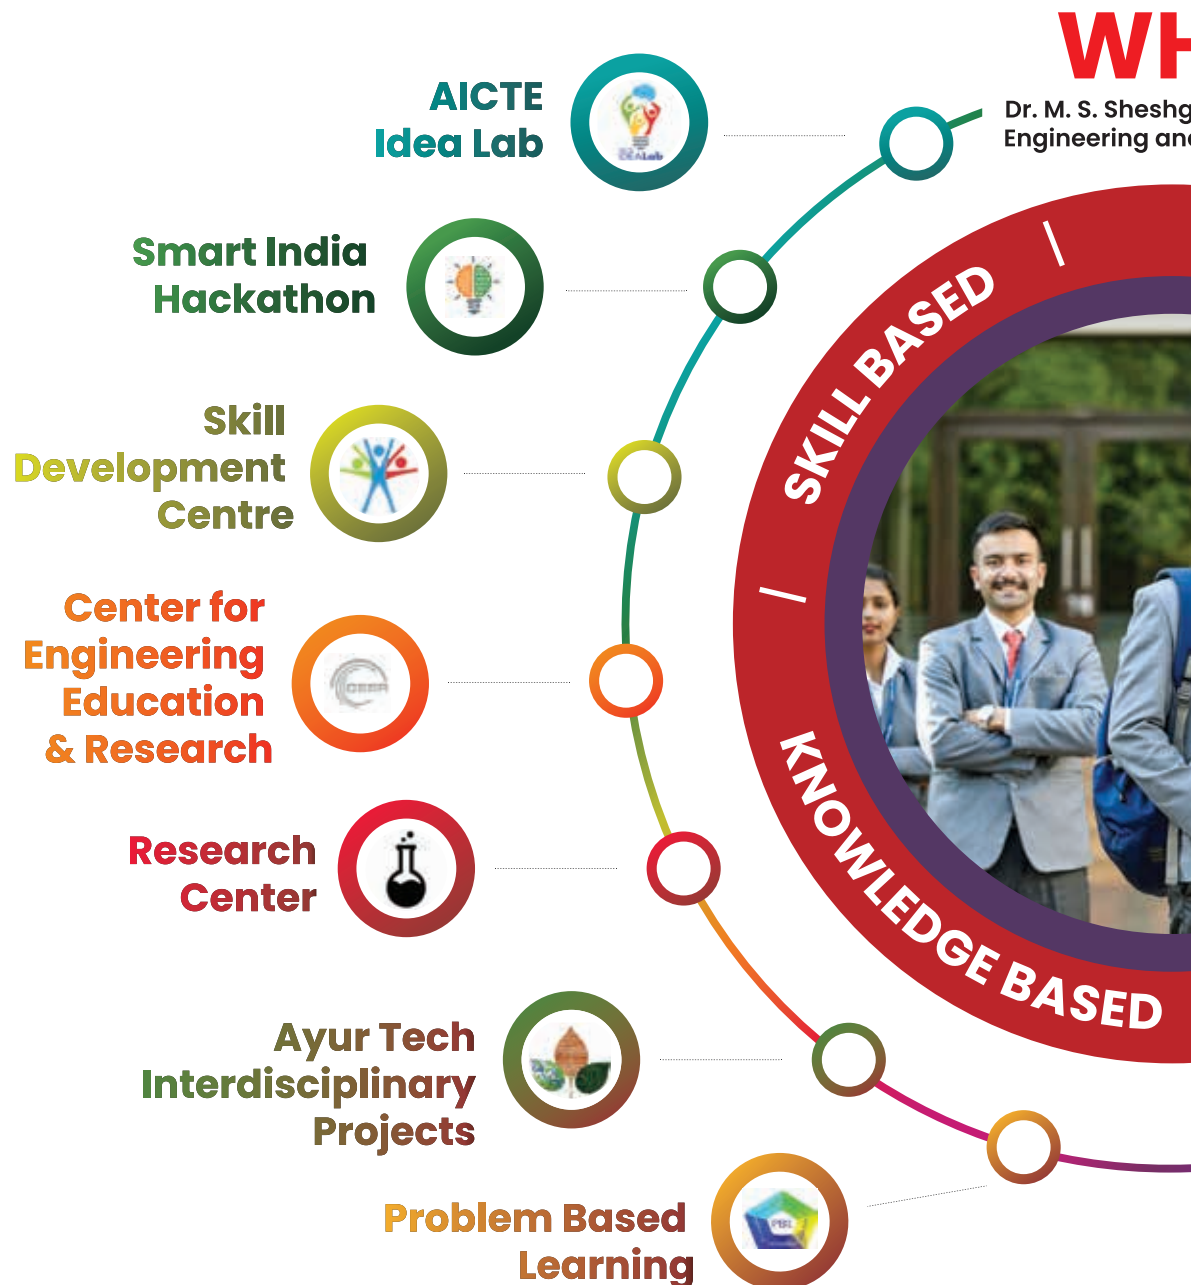

Computer Science & Engineering

Electronics & Communication Engineering

Mechanical Engineering

Electrical & Electronics Engineering

Computer Science & Engineering (AI)

POST GRADUATE COURSES

M.Tech in Structural Engineering
M.Tech in Environmental Engineering
Master of Computer Applications –MCA
Master of Business Administration-MBA

Ph.D/M.Sc. (Engg)

Departments:

Civil, Mechanical,
E&C, E&E, CS&E,
Chemical, Biomedical
MBA, Physics,
Chemistry and
Mathematics

WHY?

KLE Tech College of
Engineering and Technology

Introducing KLE Tech BCA | BBA | B.COM

PLACEMENTS

KLE Technological University, Dr. M. S. Sheshgiri College of Engineering and Technology, Belagavi Campus has a strong Placement forum that engages students with the pre-placement training programs from their first year of engineering. Training's hold a very integral part when it comes to reveal the best from students in their career. We train them for coding, technical, reasoning, aptitude and verbal skills with stress management & communication skills thus grooming their personalities to deliver the best during interviews. Placement cell ensures students are industry ready, to meet the company requirements through the in-house training cell experts in increasing competencies, capabilities and reaching the pinnacles of success with top notch positions in various Multinational companies.

RECRUITING PARTNERS

85+ Companies for the year 2023 with 625+ offers in leading Corporates

35% Placement offers with CTC 7 LPA and above

★★★★★
34 LPA
