CIRCULAR

Subject: Clarification regarding awarding F / NE grade for a performance in a Course

If a student, who has a temporary grade for a course in regular semesters, and in case He/ She is unable to pass that course by immediate summer semester the grade will be converted to a Fail 'F' grade. In case the student has minimum qualifying ISA marks and still unable to pass that course by the immediate summer semester, then the F grade will have post scripted by x, ie the grade will be 'Fx'. Grade Fx means, the student has failed in ESA although he has minimum qualifying ISA marks. This allows the student to carry these ISA marks till he passes that course.

Only F grade means the candidate was not eligible to ESA because of not having a minimum qualifying ISA marks and He/She will be only eligible to appear for ESA in that course after re-registering that course and securing the minimum qualifying ISA marks.
