

KLE Law College welcomes you dear students!

The habit of reading is incontestable and is a potential means to develop creativity leading to original understanding of the thoughts compared to podcasts and video lecture series. Of course, the video contents often introduce us readymade diverse perspectives while they bring us the benefit of knowledge. Thus, we suggest you to go through these videos / movies before you actually begin your legal academics to get inclined to the ever exciting world of legal education. May this informal, but potential learning experience be joyful and a constructive use of time.
